

# Save the Date!

## Rhode Island Child Care Health Consultant Training

**Learn how you can use your nursing knowledge and experience to support healthy and safe early care and education environments, practices and policies.**

This training course will consist of 4 in-person training days as well as course materials and activities that will be completed outside of the training days\*. You must attend all in-person training days and complete all online modules, assignments, activities and evaluations to receive contact hours and a certificate of completion. No partial credit may be awarded. *\*Approximate time commitment for additional course materials/requirements is 3-5 hours a week.*

All trainings are from 8:30a-4:30p at Bradley Hospital in East Providence, Rhode Island:

September 29, 2015

October 27, 2015

December 16, 2015

January 21, 2016

Cost of this 4-day training is \$500

Registration will soon be available on line at [www.bradleyconference.org](http://www.bradleyconference.org).  
To register before then, by phone, please contact Daura Levesque at (401) 432-1087.
